DOUBLE STAR COUNCIL 2005-2006

JULY 2006

Grand Knight's Message

GK Patrick Fahy

Brother Knights:

I wish to thank each and everyone that have placed their faith and confidence in me by asking me to serve Council 4603 as Grand Knight this coming year. This council has always had great men and woman willing to step up to the plate and contribute and I am truly blessed to call OLPH my council and Parish.

I first joined Our Lady of Perpetual Help 4603 in 1976 when my father James Fahy, PGK told me it was time I joined the Knights. Once I joined, I then understood why he was so determined to have me become a member. He joined the Knights with my Grandfather F.J. Carr, PGK in the 1940's and both led this Council in the mid 1970's. Both made sure there were events and activities planned throughout the year so that the Grove City Knights and their families could and would think of the Knights first when planning out their evenings and weekends. Our council had families that bowled, played softball, golfed, camped, fished, played basketball and more.

We now live in a time that makes doing all these things impractical, but we can still strive to bring the K of C family together again. We are here to serve you and our Parish. We have numerous activities planned throughout this coming year for all members of our council family. Look them over and participate. Most are organized to make sure you and your families meet and have fun with other Knights and Parishioners. With over 2500 families in our Parish, the Knights are needed now more than ever.

I want to say thanks to Past Grand Knight, Charlie Baumbusch, for his leadership and tenacity. By achieving Double Star Council this year, you have put OLPH in very elite company and we know this was no easy feat. Charlie, you have set the standards bar high and we will do our best to set it even higher.

As we start on our 2006-07 journey, let us remember to not only look back to emulate our successes but also forward to build on them and create an even stronger, more vibrant Council!

May God Bless All, *Patrick*

- The council now has a 50/50 drawing to benefit "Pennies for Heaven". A members name is drawn each business meeting, if he in attendance, half of the money is awarded to him and the other half is allocated to "Pennies for Heaven". The funds are progressive, so if a member's name is drawn and he is not at the meeting, those funds are applied to the next name pulled at the next meeting. The July meeting was the kickoff and the person whose name picked was not in attendance. The money now carries over to the August 9 meeting.
