

Welcome to Our Lady!

Our Lady tuition rates are based on the cost per pupil of \$4,975. To help school families manage the cost of tuition, Our Lady offers several monthly payment plans from which to choose. In addition, any family who participates in our SCRIP program can earn tuition credit. For active, participating members of our parish, tuition assistance is also offered through the Guardian Angel Tuition Assistance Fund.

It is understood that in order for a family to be acknowledged as a “participating member” it is necessary that they:

- Are registered in the parish;
- Are recognized by the pastor as a family participating in the sacramental life of the parish;
- Contribute time and talent to the ministries of the parish/volunteer opportunities in the school; and
- Regularly contribute an appropriate portion of their annual income to the financial support of the parish

Please contact Debbie Ippoliti, Tuition Bookkeeper at 875-5411 or at [dippoliti@olphsaints.org](mailto:dippoliti@olphsaints.org) with any tuition or financial aid questions.
